FESTIVE CARD LIST for _____ Occasion _____

If you've ever had a problem remembering which card you've sent to whom, and are afraid you may send them the same design a second year running (and which of us doesn't have left over cards in a pack), then this list is for you. It's easy to keep track of cards being sent, for up to three years in a row. And it also serves as an updatable list, so you don't forget important friends and family members.

No	Name	Current year	Card description	Notes	Year 2	Card description	Notes	Year 3	Card description	Notes
